

INTERIOR FORTRESS

*Not useful for
training anymore.*

Every kachi in the area is bruised and tired. The ninja must use them for training, and he shows them no mercy. The kachi+ ✕ with -2 ✨.

INTERIOR FORTRESS

We must find where he is hiding.

The characters, driven by necessity, quicken their pace and add +3 🐉 to their movement action.

HOUSE

The bodyguards.

Place 2 kabuki demons+ adjacent to RED.

HOUSE

More protection.

The light coming from the fire does not seem to have a natural origin. It shifts about, flickers, flutters and moves in strange patterns that confuse the characters. Reveal the initiative cards one at a time.

HOUSE

No crackling is heard.

The fire burns vigorously but silently, which is quite strange. Place B on ORANGE.

HOUSE

Here I am.

Note where Hattori is, then place him on ORANGE. If there is already a miniature on ORANGE, move it 1 square away. Activate Hattori. Remove ORANGE.
